

Setting #2 - Backing & Finishing Instructions for 2017 PWQAL

This is Setting #2, one of three settings for Out of the Blue's Big Block version of Fat Quarter Shop's Patchwork Quilt Along quilt. You will need the original Backing and Finishing instructions supplied by FQS. These instructions supplement the original, supplying cutting and required fabric substitutions as needed to accommodate the Big Block Quilt. This quilt uses sashing strips, with no additional borders, and a single-fabric backing. Visit my blog at www.outofthebluequilts.com for more information about this quilt along or if you have any questions. Happy Quilting!
